

Medicare 101

Medicare can be confusing. Medicare Solutions Network will be presenting a free educational seminar to get you up to speed on what Medicare covers, what it doesn't, and your potential out of pocket exposure. We'll discuss Supplements, Medicare Advantage Plans, Part D Prescription Plans, and cost saving strategies for the years ahead.

Seminars are currently hosted virtually via Zoom.

Where indicated, advanced registration may be required to receive online access to the event.
