## Medicare 101

Medicare can be confusing. Medicare Solutions Network will be presenting a free educational seminar to get you up to speed on what Medicare covers, what it doesn't, and your potential out of pocket exposure.

We'll discuss Supplements, Medicare Advantage Plans, Part D Prescription Plans, and cost saving strategies for the years ahead.

**Seminars are currently hosted virtually via Zoom unless otherwise indicated.**

**Where indicated, advanced registration may be required to receive online access to the event.**
